July 19th – Special July Apprenticeship Meeting

“I have a sure-fire way to hire endless amounts of fully trained HVAC techs....” Said no one in our industry.

With unemployment the lowest it has been in years, along with the lack of candidates we have been experiencing for years, the age-old question of, **“Where do I find techs?”** is more relevant now than ever.

Join Us:

July 19, 2018

Hosted by ACCWPA Apprenticeship Committee

Important – Space is Limited – RSVP is a must!

4905 Grand Avenue (on Neville Island)
Pittsburgh, Pa 15225
412-458-1813
Upstairs meeting room.

3:30 pm – Board Meeting ♦ 5:00 – 6:00 pm - Social Hour/Appetizers

RSVP: 724-687-7860 (phone, email or fax) – NO cancellations after July 17th noon!

**Registration Flyer on page 3
Space limited RSVP a must!!**

“I have a sure-fire way to hire endless amounts of fully trained HVAC techs....” Said no one in our industry.

With unemployment the lowest it has been in years, along with the lack of candidates we have been experiencing for years, the age-old question of, **“Where do I find techs?”** is more relevant now than ever.

Why not grow your own? Do you find candidates that have mechanical ability, the desire to work but no HVAC training or experience? Our organization has had an Apprenticeship Program in place for the past ten years! Class are being formed for Fall 2018 now.

What will this cost you? We have been in contact with **The Pennsylvania Department of Community & Economic Development**. They have had grant money available that can be used to fund the training thru the ACCWPA Apprentice Program. **It could be free to send a tech to the school.** The new PA State budget has not been passed so there is no guarantee of funding, but all are hopeful it will be soon. Get set up now so you don't miss the funding.

Come join us at Carmody's on Neville Island on July 19, 2018 to learn more about the **“Grow your own tech”** Apprentice program and the State funding.

You can learn more about our Apprentice program by going to our website www.accwpa.org and clicking on the Apprenticeship Program link.

You can learn more about the grant program at <https://dced.pa.gov/programs/pre-apprentice-apprenticeship-grant-program/>

Safety ... Bud Price

Do you:

- Treat safety as a very important job responsibility?
- Plan each job before you start, and anticipate potential hazards?
- Wear assigned personal protective equipment?
- Understand the hazards of the job?
- Use labels, safety data sheets, warning signs, etc., to get the information you need to work safely?
- Inspect tools and equipment before you use them?
- Follow safety rules while you work?
- Focus on your work and avoid distractions?
- Avoid taking shortcuts or fooling around on the job?
- Practice good housekeeping?
- Know what to do in an emergency?
- Ask questions when you're unsure of what to do or how to do it?
- Work with a buddy when engaged in very hazardous tasks?

Hopefully you could answer Yes to each question.
If not start today to make the safe choice every workday.
